

CHAD

The Crusade held in Adre (the eastern border of Chad) exceeded expectations. People are refugees from Sudan and traumatized from war, hunger, instability, and overall lack. Fear was palpable because of the strong Islamic influence and controlled by Imams. But the hunger for TRUTH was also palpable and people came in large numbers to encounter Christ - the Way, the Truth and the LIFE!

SOUTH SUDAN

Two villages of Yari & Koor WERE characterized by tribal fighting. They kill, loot, burn huts and government interventions hasn't helped. Recently Yari was ravaged by the neighboring Koor. Favor team started trauma healing with angry, vengeful people. God healed and restored through the message of forgiveness. Flour, oil and beans were distributed and they shared with their forgiven neighbors in the village of Koor. ONLY JESUS!

UGANDA

It is always a day of great rejoicing when a Women Empowerment group receives their chosen project. This quarter two groups in rural villages of Uganda received theirs. After one year of training in entrepreneurship, discipleship, budgeting, family values, anti-trafficking, abortion and much more. Phase 2 is economical empowerment. They chose goats and each lady received a male and female. PRAISE JESUS!
